Developer

Istanbul, Turkey | github.com/ahmtcn123 | ahmetcanco@gmail.com |
(+90) 0553 363 53 08

In the 5 years of my development history, I have developed many PWA apps using JS, mobile apps using Flutter, server-side RestAPIs and WebSocket servers with NodeJS, and desktop apps using C# Net Framework. In the last two years of my journey, I have been developing embedded applications using Rust programming language. In development I see the benefits of my self-taught methods and problem solving skills

WORK EXPERIENCE

MASSIVEENERGY

Full Stack Developer Intern | Aug 2021 - Sep 2021

Successfully created admin panel with technologies like Node JS, MongoDB JavaScript, HTML, CSS

PROJECTS

ELLIE LANGUAGE

Maintainer | Oct 2020 - Present
